The State Normal and Industrial School

Extends a cordial invitation to all the patrons and visitors at the Fair to visit the school at the east side of the city. Plans are made to show you around.

This school has the best equipped shops in the state, and is giving especial attention to Mechanic Art and Home Economics, as well as offering training for those who are planning to teach these subjects and the general subjects of the public schools. The more than four hundred graduates of this school are doing excellent work in the offices, homes and shops of the country; many are in the school rooms as successful teachers and a large number are making a success of the greatest occupation in the world: that of farming.

The school is provided by the people of the State of North Dakota and, as one of those people, every citizen is interested. Several hundred of its former students are making their homes in this state. You are asked to accept this invitation and make a visit. The school has an exhibit at the Fair, but a closer acquaintance is desired and will prove of mutual satisfaction and advantage. Note its beautiful campus, fine buildings and splendid courses. It has a plant worth \$300,000, a faculty of specialists numbering twenty members and an enthusiastic group of students, numbering last year three hundred eighty.

Are you interested?

PREFACE

It is with a good deal of pleasure that we present you with this, the first premium list of what will hereafter be known as the Dickey County Fair Association. We believe this movement is one that will be greatly appreciated by the people of this as well as surrounding counties, and a step which will be of very great importance to the breeders of pure bred stock, as well as a good thing for the agriculturalist. And coupled with this, the possibility of getting together under such circumstances will tend to create a feeling of good fellowship all around which is recognized as a leading factor in promoting the general welfare of any community. While this first attempt is only a stepping stone to what is contemplated for the future, yet we want to impress on you the fact that the co-operation of every man, woman and child in the territory is needed to make the event the success it should be. To begin with, it will require a good lot of entries in the different classifications to make a "showing" and here is where we have to appeal to those interested in raising live stock and grain to help out, not to forget the women in their departments as well as the children. Don't think what you have is not good enough to show. If everybody felt that way where would this or any other exhibition be? The idea is to bring out the best you have this year and outdo that the next year.

The fair this year is made possible from a financial standpoint through the liberal contributions of the business men of Ellendale who have responded so readily to the appeals of the financial committee. The future plan of financing will be worked out on some satisfactory plan as soon as the association gets a little farther along with the plans, which in general contemplate the purchasing of suitable grounds to be inclosed and improved with buildings to house the different exhibits as the needs will require. It is planned to erect one of the buildings in such a way that it may be utilized as a stock sales pavilion as well as an exhibit hall. Lack of the required facilities this year makes it necessary to house the exhibits in such places as are available and the places to bring the various entries you will find designated throughout the premium list.

The committee has made arrangements with several professional entertainers to be here to furnish

SUPERINTENDENT'S DUTIES

It shall be the duty of the department superintendents to be on the grounds sooner if possible, but must be there at least by 8 o'clock a. m. of the first day of the fair, to see that every article or animal entered for exhibition be placed in its proper department and entry tag attached thereto, and as soon as the judges have made their awards, to see that the proper prize ribbon or tag is attached to such articles or animals and to remain thereon until the close of the fair, and further see the proper entry of each premium to be made in the judges' report sheet. After this is done you must deliver said judges' report to the Secretary, O. L. Schulstad, and before 12 o'clock M. of the last day of the fair. You will also see that articles which are perishable or easily soiled are not handled by the visitors, as this is an imposition on the exhibitor.

Superintendents should see that their respective departments are well filled with exhibits. You are in a position to help the management a great deal by urging the bringing of something for display to compete in a friendly contest against your neighbor, thereby assisting in making our first fair a success.

JUDGES AND THEIR DUTIES

It shall be the duty of the judges who will be appointed previous to the holding of the Fair, to report at the secretary's office at 1 o'clock sharp on the 7th day of October, 1920.

Any judge interested in any exhibit or class in which he is to judge cannot act and judge that article or animal exhibited for competition. Judges should make their report as complete as possible, and shall give their reasons for making such awards according to their best judgment if called upon to do so. Judge-

ing of exhibits will begin as soon as entries close and continue until finished.

If in the absence of competition in any class, or if the stock or article exhibited be of inferior quality, judges are authorized and instructed to use their best discretion whether such article or animal is entitled to any award or premium whatever and if in their opinion such article or animal is not entitled to first premium, they shall give second or highly recommended premiums, according to their best judgment.

The judges' awards or entries shall be designated by ribbons or cards and attached to exhibits as follows: First premium, BLUE; second, RED; third, WHITE.

In judging, quality will be considered first, quantity second.

The judges of live stock will have regard to symmetry, early maturity, size and general characteristics of the breed to which they belong. They will make proper allowance for age, breeding, and other circumstances affecting the character and condition of the animal, and may require satisfactory proofs of the facts.

PAYMENT OF PREMIUMS

The secretary will not be required to pay premiums until November 1st following the Fair and Treasury Orders in payment of premiums will be mailed to the respective winners on or before that date. If premium winners do not receive their orders by November 1, they should bring their premium tags to the secretary so that corrections can be made if there are any errors. This must be done before November 10th as the books are closed on that date, otherwise no adjustments will be made.

ENTERING OF EXHIBITS

All entries should be made sooner, but must be made on or before 4 o'clock p. m. of the first day of the Fair, October 7, 1900, and all animals or articles entered for exhibition must be on the ground before the above specified time, or be barred from receiving any premiums.

Exhibitors from adjoining counties are invited to compete for premiums.

Make your entries on the printed forms of the association, one of which you will find in this booklet, then mail or hand it to the secretary, O. L. Schulstad, Ellendale, North Dakota.

Entries in all classes must be made in the name

PLAN YOUR WORK

So that you can take three days off to spend at the First Dickey County Fair, and help boost along the project for the next year.

There will be daily Aeroplane flights, band concerts, special singing, and do not fail to see the free exhibitions on the street every day by Johnson and Delano, introducing a routine of summersaulting and knockabout feats that create peals of laughter from every body.

You will also see "Alberto" the human knot, and "Chief Bow Arrow" in a very novel act, besides other entertaining features.

Rest rooms will be provided in the basement of the Oddfellows hall. There you will find a stove to cook your coffee if you wish and tables to eat at.

of the owner of the property. For each exhibit a card will be furnished to the exhibitor showing the name of exhibit and class number, which card must be attached to the exhibit.

Hay, straw, water, stalls for cattle and horses, pens for sheep or hogs and coops for poultry will be furnished on the grounds free to exhibitors.

Any article or animal entered for exhibition cannot be taken from the grounds before 5 o'clock p. m. of the last day of the Fair, October 9, without special permission of the secretary.

PLACING OF EXHIBITS

The buildings will be open for placing exhibits all day Wednesday, October 6th, the day before the opening of the Fair, and exhibitors are urged to bring in their articles or animals on that day if possible, so that everything will be in readiness the next morning. No animal or article will be assigned a place on the grounds until entry shall have been made.

RESPONSIBILITY

The Association will not be responsible for articles stolen, lost or injured, but will render all assistance in their power toward the recovery of the same, but all such risks must be upon the owners themselves.

PROTESTS

If an award is made by the judges and not satisfactory to the exhibitor, protest must be made in writing within four hours after such award is made, plainly setting forth his or her grievance and hand it to the secretary who will take the matter up with the board of managers for consideration and whose decision shall be final.

Any interference by exhibitor to influence or dictate the decision of the judges will be sufficient cause for excluding his or her entry from competition. Superintendents of their respective departments will see that this rule is strictly adhered to and report at once to the secretary, giving the name of the intruder.

All animals will be subject to veterinary inspection, and no animal will be permitted on the grounds that is known to be afflicted with any contagious disease.

No prize ribbons or cards received at other or preceding fairs, or any bills or advertising will be allowed to be attached to exhibit stalls or distributed

Farms for Sale

For a quick turn we have the following propositions to offer and if you are at all interested in buying land on easy terms either of these should appeal to you. Quoted subject to prior sale or change in price without notice. While at the Fair make our office your headquarters.

No. 76. A well improved quarter section farm located north of Edgeley: has a nearly new 7 room house, good barn, well and windmill. 3-4 miles from market. A couple of thousand dollars will handle this and good terms on the baance.

Views of the buildings in our office.

N. 155. A quarter section located about 6 miles south of Forbes, half under cultivation, balance meadow. No buildings. Price \$47.50 per acre. A thousand dollars will handle this nicely, terms on balance very easy.

Our list of lands is very extensive and we can fit your needs without a doubt.

By the way, we WRITE INSURANCE IN ALL ITS BRANCHES, AND MAKE REAL ESTATE FARM LOANS, TOO.

LIVE STOCK DEPARTMENT

A. C. Kuenning, Manager

INSTRUCTION

1. Exhibitors in this department are especially requested to make their entries with the Secretary as early as possible, so that he can arrange for the necessary stalls and conveniences.

2. No animal will be allowed to compete in more than one class except offspring may be shown with sire or dam, and sire or dam may be shown with offspring.

3. It is not necessary that the colts exhibited in the Breeders' Ring be owned by the person owning the sire or dam.

All one, two and three year olds exhibited in the non-registered or grade classes must be from pure bred sires.

4. All stock must be shown uncovered for inspection at the request of the judge or superintendent in charge.

5. Owners of vicious animals must tie or pen their animals securely, thereby guarding against any possible damage being done to other stock or to pedestrians.

6. Exhibitors in this department showing pure bred stock will be required to show certificates of registration of the animal so entered to the secretary when entry is made, except where animals are under six months old, in which case registry of sire and dam will be accepted.

7. In exhibiting stock as well as raising stock certain things are of prime importance. They are as follows:

Size: No animal is worth raising or exhibiting unless it has size.

Vigor and Capacity: A good animal must be alive and vigorous and must have a capacity for work production.

Trueness to Type: There is not much to be gained by raising individuals that do not show the breed characteristics.

The animal must be a good individual. Pleasing, balanced and no great defects.

Special Prices

For Fair Week

During Fair Week we are going to make it a "Money Saving Week" for you, as well as week of amusement and entertainment. During these days we will have especially reduced prices on a large number of goods in our store.

Some of these goods will be staples and others winter goods, but there will be variety enough to make it profitable for you to visit our store and shop here during the days of the Fair, October 7-8-9.

POULTRY DEPARTMENT Harry C. Wallis, Superintendent

Ed L. Hayes, Poultryman of the Dakota Farmer, has been secured to act as Judge of the poultry exhibits. Judge Hayes is recognized as one of the foremost authorities on Poultry in the United States and we consider ourselves very fortunate in securing him. A poultry culling demonstration will be held on the afternoons of October 7th and 8th.

A Poultry association will also be organized at one of these meetings, and it is hoped that every poultry fancier in the county will attend.

Birds hatched in 1920 shall be designated as chicks, and birds hatched prior to 1920 shall be designated as fowls.

An exhibition pen shall consist of one male and four females of one variety, and same birds may compete for sweepstakes.

A pair shall consist of a male and female in Turkeys, Ducks and Geese.

The revised American Standard of Perfection shall govern in placing the awards.

The Judge shall not award any premium to any bird disqualified, or improperly classed or named, and there shall be no appeal from the decision of the Judge when acting under authority of this rule.

The association superintendents and employees will use all possible precautions to prevent accidents and loss, but birds will only be received and entered at owner's risk.

Try to make all entries by October 6, to O. L. Schulstad, secretary, Ellendale, N. D.

Where an exhibitor has no competition, a blue ribbon will be given and second money only will be awarded unless the exhibit is highly meretorious.

All birds must be delivered at the poultry de-

DIVISION H

WOMEN'S DEPARTMENT

Mrs. O. L. Schulstad, Manager

This department is located in the Odd Fellows Hall.

Rules Governing Exhibits

1. All articles in this class must be the handiwork of and owned by the exhibitor. The word "display" refers in the first part to the quality and in the second to the quantity.
2. No person can receive a premium on more than one article in the same class, and no article can be entered to compete in more than one class.
3. Under the general heading "Division" each kind must compete with its kind. Silk embroidery cannot compete with worsted embroidery, etc.
4. The committee is instructed not to award premiums unless the articles are deemed worthy of merit, nor to articles borrowed or purchased for competition, nor to those incorrectly named.
5. Any articles having been properly entered can be forwarded with the entry card attached, by parcel post or express, (charges prepaid) to Mrs. O. L. Schulstad, manager of the Woman's Department at Ellendale, N. Dak., who will place the goods on exhibition, and return them to the exhibitor at the close of the fair.
6. Articles on exhibition cannot be removed until the close of the fair except upon the written permission of the secretary.
7. Articles not awarded premiums at previous fairs can be entered for competition.
8. No entrance fee will be charged in woman's department.
9. Exhibitors in this department who live in Ellendale must enter and bring their exhibits for display not later than Wednesday, October 6th, if possible, the day before the Fair, except in the Culinary department.

**WHAT DO YOU GET FOR NOTHING?
NOTHING. Of Course.**

Did you ever top to think of who pays the expense of that extravagant looking store with the glittering crystal front and the starched salesman?

Of course you do. Every dollar you spend in such a place bears between 20 per cent and 30 per cent for the upkeep of its luxurious overhead.

Wise buyers nowadays look for the modest looking store.

We have concentrated the best lines of merchandise obtainable and you can get quality merchandise at popular, modest prices.

The Board of Directors

ANNOUNCEMENT

THE DICKEY COUNTY FAIR ASSOCIATION takes pleasure in inviting the people of Dickey and surrounding counties to attend the Tenth Annual Dickey County Fair at Ellendale on Thursday, Friday and Saturday—September 19-20-21. It urges the assistance and co-operation of all, to the end that this tenth fair be made the best and most valuable educational event possible in every way.

A fair has been defined as a place where every man, woman and child in the community may go and meet every other person and compare the productive fruits of their labor, and their merchandise with those of others. The farmer finds here all that is best in livestock, farm crops, farm methods; the housewife sees what is latest and best in food preparation, needlework and home management.

Added to this is a program of good, wholesome high class entertainment and sport for the whole family.

We ask your assistance in making this fair all that its friends hope for it, by your attendance, the showing of your products, handiwork or wares, and by helpful suggestions as to its betterment.

Cordially yours,

THE BOARD OF DIRECTORS.

LIVESTOCK DEPARTMENT

INSTRUCTIONS

1. Exhibitors in this department are especially requested to make their entries with the Secretary as early as possible so that he can arrange for the necessary stalls and conveniences.

2. No animal will be allowed to compete in more than one class except offspring may be shown with sire or dam, and sire or dam may be shown with offspring.

3. Exhibitors in this department, showing purebred stock will be required to file with the manager certificates of registration of the animal so entered, except where animals are under six months old, in which case registry of sire and dam will be accepted.

4. No horse or cattle show will be held due to lack of space.

5. In exhibiting stock as well as raising stock, certain things are of prime importance. They are as follows:

Size: No animal is worth raising or exhibiting unless it has size.

Vigor and Capacity: A good animal must be alive and vigorous and must have capacity for work production.

Trueness to Type: There is not much to be gained by raising individuals that do not show true breed characteristics.

The animal must be a good individual. Pleasing, balanced and having no great defects.

DIVISION G—Women's Dept.

This department is located in the Odd Fellows' Hall. Will close at 9 p. m., each day except the last day.

RULES GOVERNING EXHIBITS

1. All articles in this class must be the handiwork of and owned by the exhibitor.
2. No person can receive a premium on more than one article in the same lot in one class, and no article can be entered to compete in more than one lot in each class.
3. Where only one article is entered in a class first ribbon and second money will be awarded if the article is worthy of merit.
4. Under the general heading "Division" each kind must compete with its kind. Silk embroidery cannot compete with worsted embroidery, etc.
5. The committee is instructed not to award merit, nor to articles borrowed or purchased for premiums unless the articles are deemed worthy of competition, nor to those incorrectly named.

6. Any article having been properly entered can be forwarded with the entry card attached, by parcel post or express (charges prepaid) to the manager of the Women's Department at Ellendale, N. Dak., who will place the goods on exhibition and return them to the exhibitor at the close of the fair.

7. Articles on exhibition cannot be removed until after four o'clock the last day of the fair, except upon written permission of the Secretary.

8. Articles not awarded premiums at the previous fair may be entered for competition; others may be brought and put on display.

9. Exhibitors in this department who live in Ellendale are requested to bring their articles on Wednesday evening, Sept. 18th, if possible, excepting in the culinary department, thus greatly aiding those in charge.

10. All entries in the culinary department must be made Thursday.

11. No articles will be entered that are not listed in catalog except for exhibit only.
